Appendix to the Independent Auditors' Report issued on 14 February 2024 (this Appendix is issued in respect of the Annual Report)

pursuant to Article 27 (6) of the Act No. 423/2015 Coll. on statutory audit and on amendments to Act No. 431/2002 Coll. on accounting as amended ("the Act on Statutory Audit")

To the Shareholders, Supervisory Board and Board of Directors of Energotel, a.s.

We have audited the financial statements of Energotel, a.s. (the "Company") as of 31 December 2023 of the accompanying Annual Report. We have issued an unmodified Independent Auditors' Report on the financial statements on 14 February 2024.

This Appendix supplements the aforementioned auditor's report solely in respect of the following information:

Report on Other Legal and Regulatory Requirements

Reporting on other information in the Annual Report

The statutory body is responsible for the other information. The other information comprises the information included in the Annual Report prepared in accordance with the Act on Accounting but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information in the Annual Report.

In connection with our audit of the financial statements, our responsibility is to read the other information in the Annual Report that we have obtained prior to the date of the auditors' report on the audit of the financial statements, and, in doing so, consider whether the other information is materially inconsistent with the audited financial statements or our knowledge obtained in the audit of the financial statements, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

The Annual Report of the Company was not available to us as of the date of the auditors' report on the audit of the financial statements.

With respect to the Annual Report, once obtained, we are required by the Act on Accounting to express an opinion on whether the other information given in the Annual Report is consistent with the financial statements prepared for the same financial year, and whether it contains information required by the Act on Accounting.

Based on the work undertaken in the course of the audit of the financial statements, in our opinion, in all material respects:

- the other information given in the Annual Report for the year ended 31 December 2023 is consistent with the financial statements prepared for the same financial year; and
- the Annual Report contains information required by the Act on Accounting.

In addition to this, in light of the knowledge of the Company and its environment obtained in the course of the audit of the financial statements, we are required by the Act on Accounting to report if we have identified material misstatements in the other information in the Annual Report. We have nothing to report in this respect.
